Kamloops, BC V2B 0E6**

Date: October 22, 2024

Warranty

Re: A&T Developments

This letter verifies a warranty period of one year for parts and labor for the specified location and dates.

Location: Switchback creek Units 1-4

To: One Year past date of Substantial Completion

Warranty coverage: All labor, piping, fittings, sprinklers & equipment attached to the new wet sprinkler and standpipe system. The water service pipe that connects the sprinkler system to the city mains was installed by others and is not covered under this warranty.

Sincerely, Morgan Martel - Principal
